2. LPPS School Board Member
3. LPPS School Board Member
4. Assistant Superintendent
5. Assistant Business Manager
6. Supervisor of Human Resources
7. Supervisor of Transportation

B. Review of Proposals

The evaluators will review all proposals submitted to ensure that each addresses all mandatory criteria contained in this request for proposals.

Firms with proposals that do not address all mandatory criteria contained in this request for proposals will be eliminated from further consideration.

A point system will be used during the review process to score the technical proposals. Points will be scored based on each of the criteria described in Section VI. C below.

Both qualifications and price will be considered in the selection process. Each proposing firm will be rated on a 100-point scale, with a maximum of 70 points assigned for qualifications (including experience) and a maximum of 30 points for price.

Each evaluator will score the remaining technical proposals. The evaluators will then meet to review and discuss the evaluations and to combine the individual scores to arrive at a composite technical score for each firm. At this point, firms with an unacceptable low technical score will be eliminated from further consideration.

After the composite technical score for each firm has been established, the sealed dollar cost bid will be opened and additional points will be added to the technical score based on the price bid. The maximum score of 30 points will be assigned to the firm offering the lowest total all-inclusive maximum price. Proportional scores will be assigned to the other proposers.

Scores will be tallied, then reviewed with the Superintendent so a recommendation can be made to the School Board who, in turn will make the final determination of the awarding

of the contract.

LPPS reserves the right to retain all proposals submitted and use any idea in a proposal regardless of whether that proposal is selected.

C. Evaluation Criteria

Proposals will be evaluated using three sets of criteria. Firms meeting all the mandatory criteria will have their proposals evaluated and scored for both technical qualifications and price. The following represent the principal selection criteria, which will be considered during the evaluation process:

2. Technical Qualifications: (Maximum Points – 70)

The maximum score of 30 points will be assigned to the firm offering the lowest total all-inclusive maximum price. A proportional point reduction for each successive bidder will be made per the following example:

Assume only 2 bids, one at \$30,000 and one at \$35,000

The \$30,000 bidder receives 30 points.

The \$35,000 bidder receives 26 points -- $30/(35,000/30,000)$

D. Oral Presentations

Once the evaluators have reviewed all proposals that meet mandatory requirements and a final score has been tallied, LPPS will provide the top two firms an opportunity to perform an oral presentation in front of the evaluation committee and the LPPS Cost Savings Committee. The firms selected for presentations will have the opportunity to answer any questions the evaluators may have on a firm's proposal at this time.
